

CLANCY TAKANO OPEN

CTO '10

The Fourteenth Annual Clancy Takano Open is planned for Saturday, July 10, 2010 at Middle Island Country Club. Once again this year, the Open will be played on the same date as the monthly New York Aoba-Kai tournament.

As a reminder, this event is held to thank Clancy for the work he does for us. Please make every effort to attend.

CTO '10 is not a club tournament but an extra non-handicap event using the special Callaway scoring system. Everyone is welcome. Bring as many players as you can. Ask your friends, business associates, family members, former club members and future club members to play. After all it is the Clancy Takano OPEN.

We want everyone to have a good time and to enjoy playing a golf course continues to improve from the wonderful conditions of last year. Thanks.
